## A Message from the Chancellor

Student success is at the core of everything we do at San Jacinto College. Ensuring that our campuses are safe for all students, employees, and visitors is an important and integral part of that student success. The preparation and diligence of the San Jacinto College Police Department affords us the opportunity to enjoy a safe learning and working environment.

The campuses are patrolled 24 hours a day, seven days a week, 365 days a year, by a professional police force committed to providing the highest quality of public safety. Our officers, led by Chief William Taylor, are ready and willing to help our students and employees, whether in an emergency or simply for an escort before or after hours.

Safety is best achieved when everyone participates. It is important to remember that personal safety begins with you, each member of the San Jacinto College community. By working with our professional and dedicated police department staff, each of us can help maintain personal safety and the security of personal property.

We are committed to your safety. Please help by remaining vigilant and aware of your surroundings whenever you are at any of our San Jacinto College locations. Report any suspicious activity immediately to the college police. We can all make a difference in the safety of our community.

Sincerely,

Brenda Hellyer, Ed.D  
Chancellor, San Jacinto College

# A Message from the Chief of Police

Each August San Jacinto College welcomes a new assortment of students. Some recently graduated from high school are beginning their studies toward bachelor's degrees from four-year institutions of higher education. Others are pursuing education and training in technical fields that will lead to certification and employment in their selected career paths. Some are looking to change their careers with new skills and education. And in some cases, they are high school students looking to complete their basic education and a little more. Whatever your goals, the San Jacinto College Police Department is here to provide you with a safe and secure learning environment.

San Jacinto College is comprised of highly educated faculty and a strong professional staff that support the mission of the College. The police department is no exception. The police officers and telecommunications personnel meet the Texas Commission on Law Enforcement (TCOLE) requirements for licensing peace officers and telecommunications and many carry higher levels of certification. The College is very selective in hiring police officers to work on the three San Jacinto College campuses. Our police officers also reflect the community they serve. Many have years of varied law enforcement experience, and others are first-time police officers developing a strong sense of community service. In either case, they provide a high level of caring professional service to the San Jacinto College community.

The police department uses video surveillance of parking areas at the three San Jacinto College campuses and the district administration office to enhance safety and provide documentation of activity occurring in the public spaces of the College. This video surveillance system is both a deterrent to criminal activity and a tool for investigating crimes that may occur. The video surveillance system complements the blue light emergency phones and the emergency telephones in all College elevators that ring to the San Jacinto College police communications center. The communications center is staffed 24 hours a day, seven days a week, with highly trained telecommunications who coordinate the flow of information for services between the members of the community and the police personnel out on the campuses.

Although the College provides a well-staffed, trained, and professional police department to keep the campuses safe, your safety and security at the College begins with you. Please be aware of the activity around you and contact the San Jacinto College Police Department if you are concerned about your safety or have an unsafe condition to report. Simply call 5555 from any College phone, use a blue light emergency or elevator phone, or call 281-476-9128 from your cell phone. True safety on campus is a partnership between you and us.

# ANNUAL SECURITY REPORT - 2015

The San Jacinto College Police Department is responsible for preparing and distributing the Annual Security Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act). The Annual Security Report is published every year by October 1st and contains three years of selected campus crime statistics and certain campus security policy statements in accordance with the Clery Act.

The San Jacinto College Police Department prepares the Annual Security Report and statistical information with input from various sources such as local law enforcement agencies, physical plant, division of student affairs, and campus officials.

Designated campus officials or "campus security authorities" include, but are not limited to, directors, deans, department heads, designated human resource department personnel, judicial affairs deans, advisors to students and student organizations, and coaches.

# ENFORCEMENT AUTHORITY

## PURPOSE OF ANNUAL SECURITY REPORT

Enacted in 1990, The Student Right to Know and the Campus Security Act was designed to assist students in making decisions which affect their personal safety and to ensure institutions of higher education provide students, staff, and faculty and prospective students, staff and faculty the information they need to avoid becoming victims of campus crime.

The Higher Education Act of 1998 and the subsequent amendment of the implementing regulations (34 C.F.R.668.46) significantly expanded institutions' obligations under the Act. The Act was also renamed the "Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act" (hereafter the Clery Act). The Clery Act requires colleges and universities to:

- Publish an annual report every year by Oct.1 that contains three years of selected campus crime statistics and certain campus security statements.
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities. The statistics must be gathered from campus police or security, local law enforcement, and other College officials who have "significant responsibility for student and campus activities."
- Provide "timely warning" notices of those crimes that have occurred and pose an ongoing "threat to students and employees."
- Disclose in a public crime log "any crime that occurred on campus . . . or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department."

## DISCLOSURE OF ANNUAL REPORT NOTIFICATION

Each year, an email notification is sent to all current students, faculty, and staff providing the web site address to access this report: [www.sanjac.edu/police](http://www.sanjac.edu/police). Upon request, prospective students and employees may obtain a written paper copy of the Annual Security Report that also includes the Fire Safety Report at the San Jacinto College Police Department located at 8060 Spencer Highway in Pasadena, Texas 77505, or by calling 281-476-1820.

The San Jacinto College Police Department is the primary police authority for San Jacinto College. Its police officers are certified Texas Peace Officers as defined in article 2.12 of the Texas Code of Criminal Procedure. Pursuant to Section 51.203 of the Texas Education Code, the primary jurisdiction of San Jacinto College officers includes all counties in which property is owned, leased, or otherwise under the control of San Jacinto College. Within their primary jurisdiction, San Jacinto College Officers:

- Are vested with all the powers, privileges, and immunities of peace officers;
- May arrest without warrant any person who violates state law, in accordance with chapter 14, of the Texas Code of Criminal Procedure;
- May enforce all traffic laws on streets and highways. Pursuant to Section 51.210 of the Texas Education Code.

San Jacinto College officers are also empowered to enforce the rules and regulations of San Jacinto College. The San Jacinto College Police Department also works regularly with the City of Pasadena police department, the City of La Porte police department, the Deer Park police department, the Harris County Sheriff's Office, and other local law enforcement agencies on criminal investigations. The San Jacinto College Police Department will provide and seek assistance from other federal, state, county, and local law enforcement agencies and maintains Memorandums of Understanding with local law enforcement agencies.

## PROFESSIONAL STANDARDS

The San Jacinto College Police Department's ability to develop and sustain the public's trust involves our commitment to provide excellent services in our efforts to promote and maintain a safe and secure College community. All members of the San Jacinto College community can expect to be treated in a courteous and professional manner by members of our department.

The San Jacinto College Police Department will not tolerate an employee who acts unprofessionally or who does not provide an appropriate and reasonable level of service. We also wish to recognize instances where our employees have been especially helpful or have exceeded your expectations in the service they have provided.

The foundational dynamic of the relationship between the police and the public requires interdependence, not independence. The public are the police, and the police are the public, and it is essential that the services provided to the San Jacinto College community are acceptable. Thus, it is important that we obtain feedback from the community we serve regarding the quality of service deliverables.

We strongly encourage you to help us improve your police department by bringing any complaints and compliments to the attention of any of the following individuals in a timely manner:

The watch commander for the shift, who is a police lieutenant, by calling 281-476-1820. This individual is responsible for police operations during their shift.

Felony crimes may be reported anonymously by calling Crime Stoppers at 713-222-TIPS (8477).

The college police department will assist you in reporting off-campus criminal offenses to the proper law enforcement agency. You may also report criminal offenses to designated campus officials including, but not limited to, directors, deans, department heads, human resources, advisors to

students/student organizations, athletic coaches, or to local law enforcement agencies.

Although exempt from the reporting requirements of the Clery Act, pastoral and professional mental health counselors are encouraged to refer persons they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual statistics, especially if the incident may pose an ongoing threat to the campus community.

## TIMELY WARNINGS

In consultation with the Chancellor/Vice Chancellor of Fiscal Affairs or his/her designee, San Jacinto College is responsible for issuing timely warnings in compliance with the Jeanne Clery Act, 20 U.S.C. § 1092(f) et seq. Jeanne Clery Act, 20 U.S.C. § 1092. The San Jacinto College Police Department will continuously and diligently work and coordinate with local, state, and federal law enforcement agencies to address exigent public safety concerns. The San Jacinto College Police Department, designated campus safety authorities and San Jacinto College administrators will collaborate regarding if and when a timely warning should be issued. The decision to issue a timely warning shall be made on a case-by-case basis in compliance with the Clery Act and will consider all available facts.

The issuance of the notification shall be based upon whether the crime is considered a serious ongoing threat to members and guests of the College community with consideration given to whether it will compromise law enforcement efforts.

Anyone with information warranting a timely warning should report the circumstances immediately to the San Jacinto College Police Department by phone at 281-476-1820 or in person at the San Jacinto College Police Department 8060 Spencer Highway, Pasadena, Texas 77505.

## PROCEDURE

When a determination has been made that a timely warning should be issued, the San Jacinto College police, marketing and communications departments will work collaboratively to inform the campus community of the incident by taking one or more appropriate steps to ensure timely notification:

- Invoke San Jacinto College ALERT ME text and voice message system. Members of the campus community may enroll to receive these notifications at [www.sanjac.edu/alert-me](http://www.sanjac.edu/alert-me).
- College-wide email of the timely warning notice.
- Distribute warning fliers around the campus.
- Post the warning on the San Jacinto College Police Department website [www.sanjac.edu/police](http://www.sanjac.edu/police). Such warning(s) may include, but are not limited to, the following information: Type of crime, date, time, and location of the incident, suspect description, public safety reminder(s)

# COLLEGE EMERGENCY NOTIFICATION PROCEDURE

The San Jacinto College's emergency preparedness, response and evacuation protocols are published online and accessible at [www.sanjac.edu](http://www.sanjac.edu). The protocols require authorized San Jacinto College officials to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation occurring on the campus involving an immediate threat to the health and safety of students, faculty, and staff, unless issuing a notification will compromise efforts to contain the emergency. All students and employees are highly encouraged to read and review these protocols regularly.

Emergency response and evacuation procedures are tested annually. The Crisis Management Plan designates the San Jacinto College Police Department (by dialing 5555 from a campus phone) as the initial contact for reporting all emergency situations and for response to and resolution of all emergencies. Upon receiving the report of an emergency, the responding officer will confirm a significant emergency exists. Supervisors will then assess the threat level and determine the appropriate level of response required.

Emergency messages will include information detailing what has occurred and directions to the community regarding what to do next. The SJC AlertMe system will be activated to provide an emergency notification to registered users through email, voice, and/or text message. The emergency notification process does not replace the timely warning requirement. Instead, the emergency notification addresses a much wider range of threats such as gas leaks, fires, weather (tornado/hurricane), bomb threats, contagious viruses, etc.

## PROCEDURE

When a determination has been made that an emergency notification should be issued, the San Jacinto College marketing, public relations, and government affairs will inform the campus community by taking one or more appropriate steps to ensure timely notification without delay:

- Invoke SJC AlertMe. Members of the campus community, as well as the general public, may enroll to receive these notifications at [www.sanjac.edu/alert-me](http://www.sanjac.edu/alert-me).
- Issue a campus-wide email of the emergency notification.

All decisions concerning the discontinuation of college functions, cancellation of classes, or cessation of operations rest with the Chancellor or her designee. After consulting with the Emergency Management Team, the Chancellor shall be responsible for declaring a major institutional emergency Should it be deemed necessary to warn the College community of an impending threat or emergency situation, the College Emergency Notification System will be activated.

The College Emergency Notification System consists of the following:

- Email (official form of communication with students and employees)
- Text Messaging
- Voice Messaging

Status reports will be updated and posted continuously on the following:

- College Emergency Information Line 1-888-845-5288
- College website [www.sanjac.edu](http://www.sanjac.edu)

## SJC ALERTME

Providing a safe and secure environment for our students, faculty, staff, and community is a top priority at San Jacinto College. San Jacinto College has partnered with Blackboard Connect to create SJC AlertMe, which will contact members

of the College community through email, voice, and text messages in the event of an emergency situation.

SJC AlertMe provides San Jacinto College with another communication tool to keep students, faculty, staff, and the community informed during threatening situations and weather-related closings. In order to receive email, voice, and text messages, you must provide your current, up-to-date, personal contact information. San Jacinto College current students, faculty, and staff should do this through SOS. Members of the San Jacinto College community who wish to receive SJC AlertMe messages should sign up via the link below.

SJC AlertMe will be activated when the College determines a serious threat exists and the College community must take immediate action to remain safe and secure. The system will also be used to announce an unscheduled College and / or campus closing, or cancellation of classes due to situations such as severe weather.

Email is the official form of communication with San Jacinto College students, faculty, staff, and community. All SJC AlertMe alerts will be sent via email to students' San Jacinto College email account, as well as any other email provided. When a voice message is sent, SJC AlertMe will call each phone number that you provide regardless of whether or not the call is answered. Text messages will only be sent once.

There is no cost to sign up for this notification service. However, when the system sends a voice or text message to your personal phone, you are responsible for any charges from your phone service provider associated with receiving voice or text messages.

In addition to SJC AlertMe, the College will continue to use its well-established communications methods including:

- The San Jacinto College [website](#)
- The San Jacinto College emergency information line at: 1-888-845-5288
- Official San Jacinto College [Facebook](#) and [Twitter](#) sites
- Local media

## EMERGENCY RESPONSE AND EVACUATION PROCEDURES

In some emergency situations, such as severe weather, utility failures, etc., an evacuation of the campus may be ordered by the Chancellor or his/her designee. A campus evacuation or closure is an organized withdrawal from campus facilities where the time of return is determined by the circumstances of the emergency or event. When such action is warranted, you will be appropriately

advised by the College Emergency Notification System.

When notified to evacuate the campus because of inclement weather, immediately proceed with Back-Up and Pack-Up Procedures securing offices and instructional areas to protect equipment and critical documents.

## BUILDING EVACUATION

A building evacuation is most commonly initiated by the building's fire alarm system. When the building fire alarm sounds:

- Evacuate the building immediately, calmly, and quickly.
- Carry all personal items, i.e. books, purses, etc. as you may not be allowed back in the building.
- Walk to the nearest exit/stairwell (close doors behind you).
- Do not use elevators.
- Proceed to designated area outside the building moving as far away from the building as possible. Do not stand on porch areas.
- Keep streets, fire lanes, hydrant areas, and walkways clear for emergency vehicles and personnel.
- Do not re-enter building until cleared by authorized personnel.
- Assist with the evacuation of individuals with special needs.

# ALCOHOLIC BEVERAGES, ILLEGAL DRUGS, WEAPONS

As an institution interested in the intellectual, physical, and psychological well-being of the campus community, San Jacinto College deems it important to curtail the abusive or illegal use of alcoholic beverages. All members of the College community and guests are required to comply with federal, state, and local laws regarding the distribution, possession, and consumption of alcoholic beverages.

## ALCOHOL

The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of law and student rules to possess or consume alcoholic beverages on any of the College's campuses. Consequences could result in criminal charges or arrest by the San Jacinto College Police Department and/or sanctions by the college. The office of the Dean of Student Development is committed to promoting responsible decision making regarding alcohol and drugs through educational programming, resources, and referrals.

## ILLEGAL DRUGS

The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the San Jacinto College Police Department. Violators are subject to College disciplinary action, criminal prosecution, fine and imprisonment.

## WEAPONS

In accordance with Texas Penal Code Ch. 46, it is a felony to intentionally, knowingly or recklessly possess a firearm, illegal knife or prohibited weapon (with or without a concealed handgun permit) on the physical premises of a school or educational institution, to include any buildings or passenger transportation vehicles under the direct control of the educational institution.

## SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, STALKING

It is the policy of San Jacinto College to provide a campus environment free of sexual harassment and sexual violence and other behaviors of a sexual nature that are hostile, unwelcoming, or intimidating.

The College prohibits a wide range of verbal and physical behaviors, ranging from unwanted sexual comments to rape and acquaintance rape. Consent is a critical factor that distinguishes acceptable sexual behavior from unacceptable sexual behavior is the consent of the parties involved. Consent is a clear, knowing and voluntary permission by words or action to engage in mutually agreed upon sexual activity. Consent is communicated through mutually understandable words or actions that indicate willingness by all of the involved parties to engage in the same sexual activity, at the same time, and in the same way. Clear and open communication is an essential element to conveying and understanding consent. Ideally, consent is given verbally; however, consent (or lack of consent) also may be expressed through gestures and body language. Consent cannot be freely given if the person's ability to understand and give consent is impaired. Examples of those who cannot give consent include but are not limited to:

1. The individual is under the age of 17 and is not the spouse of the actor;
2. The individual is unconscious;
3. The individual is impaired due to ingestion of a substance such as drugs or alcohol;
4. The actor compels another to submit to or participate in a sexual act by using physical force or violence against the other person or by threatening to use force or violence against another person;
5. The other person has not consented to the sexual act with the actor and the actor knows the other person is unaware that the sexual act is occurring;
6. The other person is mentally impaired or has a mental disability; or
7. The actor has misrepresented or concealed his or her true identity to the individual.

Silence does not equal consent. Additionally, consent to one form of sexual activity does not necessarily imply consent

to other forms of sexual activity. Similarly, a prior sexual history or dating history between the participants does not constitute consent. Consent may be given for specific activities and not for others. Further, any party has the right to change his or her mind and withdraw consent at any time through words or actions. Once consent is withdrawn, the sexual activity occurring must cease.

Victims of sexual assault, or persons who have information regarding a sexual assault, are strongly encouraged to report the incident to the San Jacinto College Police Department immediately. It is the policy of the department to conduct investigations of all sexual assault complaints with sensitivity, compassion, patience, and respect for the victim. Investigations are conducted in accordance with guidelines established by the Texas Penal Code, Code of Criminal Procedure, and the Harris County District Attorney's Office.

All information and reports of sexual assault are kept strictly confidential. In accordance with the Texas Code of Criminal Procedures, Art. 57, victims may use a pseudonym to protect their identities. A pseudonym is a set of initials, or a fictitious name, chosen by the victim to be used in all public files and records concerning the sexual assault. The victims of sexual assault are not required to file criminal charges or seek judicial actions through the College's disciplinary process. However, victims are encouraged to report the assault in order to provide the victim with physical and emotional assistance.

San Jacinto College Police personnel are available to all victims to provide information about personal safety, Texas Crime Victims' Rights, Texas Crime Victims Compensation Fund and other information upon request. The Dean of Student Development, the Counseling Office, or the College's Title IX Coordinator can assist victims of sexual assault, sexual violence, stalking, domestic violence, dating violence or other crimes with accessing medical or counseling services, advocacy services, social support services, legal services, and police services. Even in the absence of a formal complaint, the College may be able to provide assistance to the complainant with respect to his or her academic, living, transportation, or working situations.

## DISCIPLINARY PROCEEDINGS FOR ALLEGED SEX OFFENSES

The San Jacinto College office of the dean of students will investigate and adjudicate alleged sexual offenses for violations of the San Jacinto College Student Code of Conduct. Please see the Student Code of Conduct for information on offenses constituting sexual misconduct.

The San Jacinto College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, San Jacinto College will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

Disciplinary sanctions may be imposed through the campus judicial system when a final determination regarding a sex offense allegation is made. Disciplinary sanctions will be based upon the seriousness of the offense, the student's attitude, the impact of the misconduct on the College environment, the student's overall record at the College (including prior discipline, if any), and statutory or other legal requirements, if any. Possible disciplinary sanctions include, but are not limited to:

1. Written warning: A formal notice stating that the Code has been violated and that future violations will be dealt with more severely.
2. Disciplinary probation: A sanction that indicates that the individual's standing with the College is in jeopardy and that further violations may result in suspension or expulsion.
3. Restitution: A sanction that requires the student to compensate an injured party for loss, damage or injury in the form of money, service, or material replacement.
4. Community service: Performance of a specified number of hours or tasks designed to benefit the College community and/or to help the student understand why his or her behavior was inappropriate.
5. Class or workshop attendance: Enrollment and completion of a class or workshop designed to help the student understand why his or her behavior was inappropriate.
6. Educational project: Completion of a project specifically designed to help the student understand why her or his behavior was inappropriate.
7. Suspension of privileges: Loss of privileges, such as loss of library privileges, computer privileges, parking privileges, or the privilege to attend athletic or other extracurricular events.
8. Removal from courses or activities: Removal from specific courses or activities, including revocation of eligibility to represent the College in athletic or other extracurricular activities.
9. Counseling: mandatory counseling sessions or support group attendance
10. Failing grade: A failing grade may be given for a test, assignment, or course.

13. Expulsion: Permanent separation from the College whereby the student is not eligible for readmission.
14. Revocation of degree: revocation of degree and withdrawal of diploma.

These sanctions do not diminish or replace the penalties available under generally applicable civil or criminal laws. Students are reminded that many violations of the code, including harassment and other discriminatory behavior, also may violate local, state and federal laws and may be subject the student to additional penalties.

## REPORTING SEXUAL OFFENSES TO SAN JACINTO COLLEGE

Students have several options when reporting sexual harassment, sexual assault, domestic violence, dating violence, or stalking. They may seek informal guidance from college counselors or other college officials, or they may file a formal college grievance. Students also may file a report directly with the College police or any local law enforcement agency. Students are not required to file a police complaint in order to receive assistance from the College. Additionally, reporting an offense does not commit the student to pursuing further legal action. Students who desire assistance in order to make a police report may contact the Dean of Student Development, the Counseling Office, or the Title IX Coordinator.

#### **Confidential Communications:**

In response to an act of sexual harassment or sexual violence, a victim may be unsure whom to contact for information about options and resources. Some victims may prefer a confidential consultation before deciding on a course of action. Most San Jacinto College personnel will have a duty to report complaints that come to their attention. Below, this procedure addresses when confidentiality may be honored.

Confidential communications are those communications that cannot be disclosed to another person without the reporter’s consent, except under very limited circumstances such as an imminent threat or danger to self or others. Victims may speak confidentially with a licensed professional counselor in the College’s Educational Planning & Counseling centers (North Campus: 281-998-6150 ext. 2317; Central Campus: 281-998-6150 ext. 1014; South Campus: 281-922-3444), pastoral counselors in the community, medical personnel, licensed social workers, and victims’ advocates. These individuals may assist victims in deciding whether to report, what options exist, and what resources are available. These individuals are not required to report incidents of sexual harassment, sexual violence, or sexual misconduct to the College’s Title IX coordinator.

Victims also may choose to speak confidentiality with front-desk staff in the counseling office. These individuals are not professional counselors but have been specifically designated to serve as a resource where students may obtain information about this procedure and about support services. These individuals are not required to report the names of victims to the College’s Title IX coordinator. However, these individuals will be required

to report de-identified information such as the date, time, and nature of the incident. The purpose of this general reporting obligation is to enable the College to identify patterns or trends involving sexual harassment or violence.

#### **Non-Confidential Communications:**

“Responsible employees” as listed in Section 400.2 of the student handbook may be required to report of sexual harassment, sexual misconduct, or sexual assault, even if when they have been requested by the person confiding in them to keep the discussion confidential. Non-confidential communications consist of those communications that will be disseminated to the Title IX Coordinator and others on a need-to-know basis in order to ensure that necessary steps are taken to protect the community as a whole and appropriate disciplinary measures are considered and taken. The employees identified in Section 400.2 of the student handbook have a reporting obligation. They must report to the Title IX Coordinator all relevant details of the occurrence, including names of those involved and relevant facts including date, time, and location.

When receiving a sexual misconduct report from a potential victim, responsible employees shall notify the victim that (i) the employee has an obligation to report the complaint to the Title IX coordinator and (ii) the victim may request confidentiality, which will be evaluated by the Title IX coordinator. The responsible employee shall also inform the victim that he or she may speak confidentially with a licensed professional counselor, pastoral counselor, or others identified in this procedure and that those communications will not be reported to the Title IX coordinator without the victim’s consent.

#### **Requests for Confidentiality:**

To the greatest extent possible, the College shall maintain the confidentiality of information and records related to investigations of complaints based on sexual harassment and sexual misconduct. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law. A Title IX Coordinator will evaluate a student’s request for confidentiality in the context of the College’s responsibility to provide a safe and nondiscriminatory environment for the entire college community. The Title IX Coordinator will make every effort to respect a student’s request for confidentiality; however, there are situations in which the College must override a student’s request for confidentiality in order to meet its Title IX obligations. When weighing a student’s request for confidentiality that could preclude a meaningful investigation or potential discipline of the alleged perpetrator, the College will consider a range of factors. These factors include, but are not limited to, (i) circumstances that suggest there is an increased risk of the alleged perpetrator committing additional acts of sexual violence or other violence (e.g., whether there have been other sexual violence complaints about the same alleged perpetrator, whether the alleged perpetrator has a history of

arrests, etc.); (ii) whether the sexual violence was perpetrated with a weapon; (iii) the age of the student subjected to the sexual violence; and (iv) whether the school possesses other means to obtain relevant evidence (e.g., security cameras or personnel, physical evidence).

If the College determines that it must disclose a complainant’s identity to an alleged perpetrator, it will inform the complainant prior to making this disclosure and take whatever interim measures are necessary to protect the complainant and ensure the safety of others.

Finally, while federal law requires San Jacinto College to include certain reported incidents of sexual assault, domestic violence, dating violence, and stalking among its annual campus crime statistics, such information will be reported in a manner that does not identify victims.

#### **Complaints involving victims under the age of 18:**

Complaints involving abuse of minors must be reported to Children’s Protective Services or other law enforcement agencies. The phone number for the Texas Department of Family and Protective Services is 1-800-252-5400.

## **GUIDELINES AND RECOMMENDATIONS TO FOLLOW AFTER A SEXUAL ASSAULT**

Students who have just experienced a sexual assault or other sexual violence should call 911 and relocate to a safe place. If the incident occurred on campus, the student should contact campus police. Campus police assistance is available 24 hours a day. Campus personnel may assist the victim in obtaining transportation to a hospital or clinic, a police department, or other location. Prompt medical attention in a case of recent assault is necessary to document and treat any injuries and screen for certain medical conditions and transmitted diseases. Victims may receive a medical exam with or without police involvement. A nurse examiner may perform a Sexual Assault Forensic Exam (SAFE). Such exams generally are available in hospital emergency rooms.

If a student experiences a sexual assault or other criminal offense, it is important that the student take action to

preserve evidence. Such evidence will be helpful in the event that the victim seeks a protective order or desires to pursue a criminal prosecution. Victims of sexual assault should not wash, shower, bathe, or change clothes prior to a medical exam or treatment. If the victim needs to remove an item of clothing, it should be placed in a paper bag (not a plastic bag). Instead of changing clothes, the victim may separately bring a change of clothing to the hospital to wear after the examination. Evidence of violence, such as visible injuries or bruising or damage to a vehicle, will need to be photographed. Likewise, evidence of emails, text messages, or phone messages must be preserved and not deleted or altered.

## MEDICAL TREATMENT

It is important to seek immediate and follow-up medical attention for several reasons: first, to assess and treat any physical injuries you may have sustained; second, to determine the risk of sexually transmitted diseases or pregnancy and take preventive measures; and third, to gather evidence that could aid criminal prosecution. Physical evidence should be collected immediately, ideally within the first 24 hours. It may be collected later than this, but the quality and quantity of the evidence may be diminished.

## SEXUAL ASSAULT PREVENTION

The San Jacinto College provides the following education, prevention and personal safety programs:

- Not Anymore online awareness & prevention training
- SHARP Training (Sexual Harassment/Assault Response & Prevention Training)
- Awareness events on each campus
- Risk Management training for students organization during college sponsored travel

## SEX OFFENDER REGISTRY

The "Campus Sex Crimes Prevention Act" is a federal law enacted on Oct. 28, 2000, that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education and/or employed or volunteering on campus.

This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders and requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

The Texas Department of Public Safety (DPS) is the official Texas Internet source for Sex Offender Registration information. The Sex Offender Registration open record information is extracted from the DPS Sex Offender Registration Database. The DPS maintains files based on registration information submitted by criminal justice agencies and represents a statewide source of information on sex offenders required by law to register. The DPS public Web page can be found at [https://records.txdps.state.tx.us/DPS\\_WEB/Portal/index.aspx](https://records.txdps.state.tx.us/DPS_WEB/Portal/index.aspx).

# ACCESS AND MAINTENANCE OF CAMPUS FACILITIES

## ACCESS

The dean, director, or department head is responsible for determining access to facilities under their control. San Jacinto College Police Department personnel, upon request, will prepare a security survey of the facilities to determine security coverage and appropriate access control. It is unlawful for any person to trespass on the grounds of any State of Texas institution of higher education or to damage or deface any of the buildings, statues, monuments, memorials, trees, shrubs, grasses, or flowers on the grounds of any state institutions of higher education. (Texas Education Code Section 51.204)

The governing board of a state institution of higher education or its authorized representatives may refuse to allow persons having no legitimate business to enter on property under the board's control, and may remove any person from the property on his or her refusal to leave peaceably on request. Identification may be required of any person on the property. (Texas Education Code Section 51.209)

## MAINTENANCE

The maintenance department at San Jacinto College maintains the buildings, grounds, utility systems, and custodial services for the College campuses. They provide electricity, running water, waste disposal, landscape maintenance, building/office renovation, custodial services, and emergency repairs. Faculty and staff are encouraged to report maintenance problems.

Police personnel report any security problems they identify to the maintenance department for repair. If the security issue presents a high risk, police personnel will stand by until the problem is turned over to the maintenance department.

San Jacinto College police personnel routinely check campus lights and blue light emergency telephones to ensure they are working properly. Any deficiencies are reported to maintenance for repair.

Three elements must be present for any crime to occur: desire, ability and opportunity. It is important for all of us to understand our role in the reduction of crime.

The San Jacinto College Police Department encourages all students and employees to take an active role in the protection of their property. ## The Higher Education Opportunity Act of 2008 - Legal Requirements

New regulations in the Higher Education Opportunity Act of 2008 states that beginning Oct. 1, 2010, an institution that maintains any on-campus student housing facility must prepare an annual fire safety report that contains, at a minimum, the following information: Fire statistics for each on-campus student housing facility, for the three most recent calendar years for which data are available.

- A description of each on-campus student housing facility fire safety system.
- The number of fire drills held during the previous calendar year.
- Institution's policy on portable electrical appliances, smoking, & open flames in a student housing facility.
- The institution's procedures for student housing evacuation in the case of a fire.
- The policies regarding fire safety education and training programs provided to the students and employees. In these policies, the institution must describe the procedures that students and employees should follow in the case of a fire.
- For purposes of including a fire in the statistics in the annual fire safety report, a list of the titles of each person or organization to which students and employees should report that a fire occurred.
- Plans for future improvements in fire safety, if determined necessary by the institution.
- Maintain a written, easily understood fire log that records, by the date that the fire was reported, any fire that occurred in an on-campus student housing facility. This log must include the nature, date, time, and general location of each fire.

# FIRE SAFETY STATISTICS

The San Jacinto College Police Department is responsible for the Annual Fire Safety Report. The following San Jacinto College Annual Fire Safety Report discloses all information required by the Higher Education Opportunity Act (HEOA)\Clery Act as it relates to any on-campus student housing fire\fire alarm statistical information for the year of 2015.

A printed document that contains the Annual Security Report as well as the Fire Safety Report can be found at the San Jacinto College Police Department, located at 8060 Spencer Highway, Pasadena, Texas 77505, on its website at [www.sanjac.edu/police](http://www.sanjac.edu/police), or by calling 281-476-1820.

San Jacinto College maintains a fire log. The Fire Log table (Figure-1) is designed to contain a compilation of actual fire/fire alarm statistics for each calendar year (should any exist) for San Jacinto College on-campus student housing. The Fire Log table is designed to include statistics outlining the number of actual fires and the cause of each actual fire, the number of injuries and deaths related to actual fires and the value of property damage related to actual fires for San Jacinto college on-campus student housing (should any exist).

For a fire to be reportable under the Higher Education Opportunity Act of 2008 it must be an actual fire, and it must meet the federal definition of a fire. The Higher Education Opportunity Act (HEOA) regulations define fire as "any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner."
